

REGISTRATION 2010-11

Current and Alumni registration for the 2010-11 school year will begin on Tuesday, 02 February. If you would like your child to return to FPP next year, you are strongly urged to reregister next month. The following Tuesday, 9 February, is open registration and many classrooms are expected to reach full enrollment at that time.

Current enrollment does not automatically guarantee a placement for next year, siblings included. If your child is currently attending FPP, you must reregister for the 2010-11 school year, and register any incoming siblings at that time as well. I will place a sign-up sheet on the front door at 6:30 that Tuesday morning. You may sign the sheet and go back home. Upon placing your name on the registration sheet, you will have 48 hours, until 1pm on Tuesday, 04 February or 11 February (current/alumni and new families respectively), to turn in your *completed* paperwork. If we do not have your *completed* paperwork, your name will go to the bottom of the sheet and I will try again at the end. Sign up will continue until classes are full.

ALL forms can be found on our web site and downloaded. You may click on the the individual documents themselves. I will have a limited amount of packets with the sign up sheet on Tuesday morning, but I ask that you download your own forms if at all possible. If you have the forms and monies together the morning of the 2nd or 11th (current/alumni and new families respectively), I will gladly take your packet at that time. However, until we review the paperwork and ensure it is complete, I will not consider anyone actually registered. For any new students, please remember to bring a Birth Certificate that we can copy. Registration fees, last month's tuition, and any applicable background fees (\$23) will be collected, for any and all registered children, at the time of registration. Failure to do so will result in your child not being registered.

Thanks!
